We are excited to announce we have confirmed celebrity guest speaker and transgender activist, journalist and television host – Paris Lees, at our next big celebratory diversity and inclusion event taking place on 7th November 2019 at The China Exchange, London!

This free event is not your average conference: actually, it's not going to be like a conference at all, but more of a fun-filled day of celebration, networking, learning, interactive activities, guest speakers and more! More details on our website [here](#).

We are currently busy working on the agenda and this will be circulated on our newsletter and social media soon - so keep an eye out for this!
