

FUTURE-FOCUSED FINANCE FINANCE & CLINICAL EDUCATOR BULLETIN

Welcome to the latest FACE news.

We had a great FACE Leads meeting of the year in February where we planned our work programme for the year. In 2019/20 we will be adding to our list of resources covering a whole new range of topics to assist you in teaching in your organisations. We will also be continuing with our successful 'Finance 4 Clinicians' programmes across the country and will be looking to include finance for non-finance managers.

If you have suggestions for our Finance 4 Clinicians and Managers programmes or would like to speak at any of our upcoming events please get in touch.

Rebecca Dixon and Akhlaq Hussain are also our first level 3 certified FACE in the North West having both taught over 20 hours of finance sessions in their organisation.

MEET THE LEADS

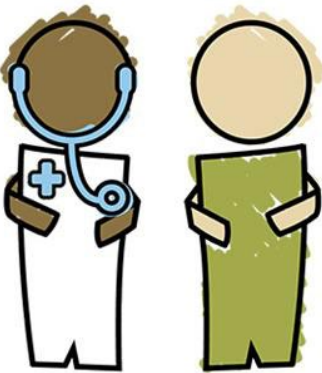

Hello my name is David Rebelo, Head of Income at Chelsea and Westminster NHS Foundation Trust.

I joined the Future-Focused Finance network back in 2016 as part of their Future Finance Leaders, where I heard more about the FACE programme. This gave me ideas and motivation to help clinical colleagues on their understanding of NHS finances, especially around income and funding streams.
