

## FUTURE-FOCUSED FINANCE ACCREDITATION

We launched our accreditation process in 2017 to allow NHS finance departments to gain recognition for their commitment to the skills development of their finance teams.

All accreditation applications are reviewed and signed off by the **Finance Leadership Council** who will next be meeting on Friday 28th September. Please send your applications to [futurefocusedfinance@nhs.net](mailto:futurefocusedfinance@nhs.net) by Friday 21st September to ensure they can be reviewed before the meeting.

### How does it work?

There are 3 levels of accreditation. Decide which level you wish to apply for then download the pro-forma on our website.
