

FUTURE-FOCUSED FINANCE – AUTUMN EVENTS PROGRAMME

Date	Event	Aimed at	Location
5 th September	<p>Finance Leaders North Workshop An insight into the challenges you might face in the first 12 months of becoming a Director of Finance / CFO.</p> <p>This session is being run by Andrea McGee, Director of Finance, Warrington and Halton Hospitals NHS FT</p>	Those who are at Band 8C and above who would like to develop their leadership skills	Manchester
14 th September	<p>Finance Leaders London Workshop Leading in difficult circumstances</p> <p>This session will look at the context, pressures currently in the service and how this and the financial situation is impacting the finance community. It will explore the importance of systems working and collaboration across providers/CCGs but also with other parts of public/third sector. The session will highlight the new FFF strategy and themes and how culture, ways of doing things (especially re relationships) and personal resilience are all key.</p>	Those who are at Band 8C and above who would like to develop their leadership skills	110 Rochester Row
18 th September	<p>FACE Development Day</p> <p>The FACE network aims to have an active Finance and Clinical Educator in every NHS organisation who is best-placed to champion clinical engagement and financial training. At a time when financial challenges are rising improved financial and clinical engagement is essential to maintaining a sustainable NHS. As a network we</p>	Aimed at financial professionals as well as clinicians with some knowledge of NHS Finance	Birmingham

	<p>therefore aim to inspire better relationships between Clinical and Finance Professionals to create clinical value.</p> <p>Our FACE Development day is open to both finance staff and clinicians and is free to attend. It will provide an opportunity to hear about success stories of close partnering in organisations and provide top tips of being 'the FACE of Finance' in your organisation.</p>		
20 th September	<p>South Central Value Maker Launch Event</p> <p>The event will provide a fantastic opportunity for you to meet counterparts across the patch and to be inspired by real examples of innovation being adopted by finance teams in South Central. This event also provides a unique chance to directly shape how the network will function, to ensure it provides the best support possible to its' members going forward. It will also provide an opportunity to share and hear about examples of best practice going on in different NHS organisations around the patch</p>	All finance staff based in the South Central region.	Newbury
21 st September	<p>Finance Leaders Workshop</p> <p>Leading in difficult circumstances</p> <p>This session will look at the context, pressures currently in the service and how this and the financial situation is impacting the finance community. It will explore the importance of systems working and collaboration across providers/CCGs but also with other parts of public/third sector. The session will highlight the new FFF strategy and themes and how culture, ways of doing things (especially re relationships) and personal resilience are all key.</p>	Those who are at Band 8C and above who would like to develop their leadership skills	Northampton

25 th September 2018	<p>Finance Leaders South Workshop</p> <p>An insight into the challenges you might face in your first Director of Finance / CFO role.</p> <p>This session is being run by Sarah Brampton, Deputy Chief Executive & Director of Finance, Devon Partnership NHS Trust</p>	Those who are at Band 8C and above who would like to develop their leadership skills	Exeter
28 th September	<p>Value Maker Annual Conference</p> <p>This is a great opportunity to share best practice and hear from a great line up of speakers.</p> <p>If you or anyone in your organisation would like to put yourselves forward to run a best practice market stall at the event and showcase what great things you are doing within your finance teams and organisations please let us know.</p>	This event is open to all, you do not have to be an FFF Value Maker to attend but book quickly as there are only a few spaces remaining.	London
9 th October	<p>Finance 4 Clinicians Development Day</p> <p>This will give attendees an introduction to NHS Finance. Including sessions on the following:</p> <ul style="list-style-type: none"> • How the money flows • NHS Costing • GIRFT • The financial impact of clinical decisions • NHS Payment Systems • Collaborative working 	Aimed at clinicians with minimal knowledge of NHS Finance	London
10 th October	<p>Introduction to NHS Finance for Practice Managers</p> <p>Following a survey undertaken across primary care last year, FFF are working on addressing a number of recommendations from the analysis to improve financial knowledge across the breadth of the NHS.</p> <p>Off the back of the recommendations we are hosting finance education events for practice managers and other general practice colleagues who want to learn more about how NHS finance and local finance works in England. The events will also</p>	General Practice Managers and their deputies/assistants	Manchester, Venue tbc

	<p>give delegates the opportunity to attend workshops showcasing good practice and shared learnings from their local areas. Each event agenda will be tailored to the locality it is being held in.</p>		
11 th October	<p>Yorkshire and Humber Value Maker Event</p> <p>The Y& H Value Maker network aim would like to have every Finance Department across the region represented at this event, so get involved. FFF has already shown that working together can really give improvements to your organisation and we would like this to expand further. If you are already a Value Maker or Finance and Clinical Educator, we need you there to share your experience and to learn more. The aim of the programme is to inspire, energise and educate.</p>	Aimed at all NHS Finance Professionals in the Yorkshire and Humber region	Leeds
17 th October	<p>Introduction to NHS Finance for Practice Managers</p> <p>Following a survey undertaken across primary care last year, FFF are working on addressing a number of recommendations from the analysis to improve financial knowledge across the breadth of the NHS.</p> <p>Off the back of the recommendations we are hosting finance education events for practice managers and other general practice colleagues who want to learn more about how NHS finance and local finance works in England.
