

FINANCE DIRECTOR DECLARATION

I DECLARE THAT I WILL:

- Show my commitment to the aims of future-focused finance by:**
 - Leading by example through engaging with future-focused finance
 - Demonstrating enthusiasm for its aspirations and activities
 - Making use of the available tools and resources locally wherever possible
 - Encouraging my team to self-nominate as champions for future-focused finance
 - Committing to building finance teams which reflect the diversity of the populations that we serve

- Creating space and resource for my team to participate by:**
 - Making fff part of team communication and encouraging fff champions to provide updates and share learning
 - Empowering those who volunteer as fff champions to implement change locally
 - Encouraging my team to engage with the future-focused finance website and social media

- Sharing ideas across our Future-Focused Finance community by:**
 - Sharing existing good practice and new initiatives
 - Supplying news and information
 - Contributing ideas for new initiatives consistent with the five themes

- Volunteering to support delivery by:**
 - Providing people / piloting opportunities for future-focused finance projects and initiatives
 - Supporting individuals to offer skills / time in getting involved in local and national activities
