

FUTURE-FOCUSED FINANCE NEWSLETTER

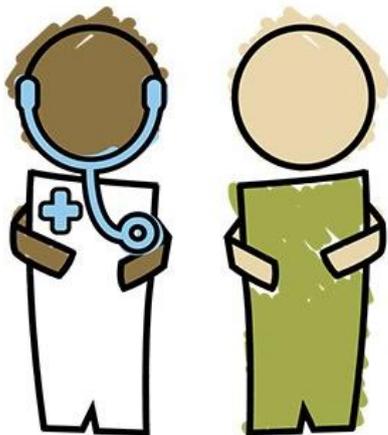

Welcome to the July update from Future-Focused Finance. [Do you know someone who would be interested in this newsletter?](#) If so, please forward this on.

The new FLC strategy

The Finance Leadership Council (FLC) have agreed a new strategic direction to take FFF through the next five years to 2022. The new strategy will see FFF working closely with the Skills Development Network to develop a **diverse, appropriately skilled, adaptable and resilient finance function and workforce**, to ensure value for money and quality services for patients.

Introduction to NHS Finance for Practice Managers events

Following a survey undertaken across primary care last year, FFF are working on addressing a number of recommendations from the analysis to improve financial knowledge across the breadth of the NHS. Off the back of these recommendations, we are putting on four regional events aimed at Practice Managers.

Diversity - What we've been up to

As you have probably noticed over the last few months, we've been shouting out a lot about diversity on our website and social media pages, inviting you to attend workshops, and asking for you to share information on what you're already doing in your own organisations around this agenda....and why is this you ask?

FACE Development Day - 18th September, Birmingham

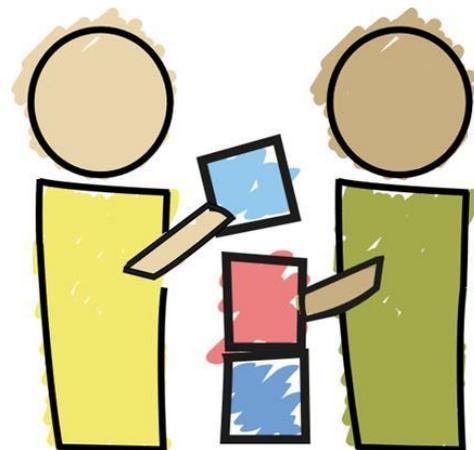

Our FACE Development day is open to both finance staff and clinicians and is free to attend. It will provide an opportunity to hear about success stories of close partnering in organisations and provide top tips of being 'the FACE of Finance' in your organisation.

Talent Pool Development Centre Feedback

The last week of June saw this year's cohort of aspiring NHS leaders come together for 3 days of coaching and mentoring at the Novotel City Centre in Leeds. Feedback from the participants tells us that the development centre was a great success.
