THE VALUE SUMMIT

This event will tackle one of the key pieces in the value jigsaw – clinical and financial collaboration. The day will provide real life examples of clinical and financial teams working together to close the gap between demand and resource, helping to create a truly sustainable healthcare system.

THE FUTURE OF NHS FINANCE

We are continuing to work with PwC to produce a report setting out the challenges facing the NHS finance function, how it needs to adapt and the recommendations for doing so. The report will be published in the next few months and we are currently planning a launch event in September.

DIVERSITY FORUM: HOW YOU CAN MAKE A DIFFERENCE

On Tuesday July 9th we will be holding an interactive diversity forum in Central London. The event will explore practical and ways that you can start making a difference and influencing positive change in your organisation.
