

FACE CERTIFICATION

FACE Certification is a way of recognising active members of the network who are teaching finance to clinicians and managers in their organisations.

We hope that by recording your teaching hours, you will be encouraged to share your teaching topics with other members in the network.

5 HOURS

LEVEL 1

10 HOURS

LEVEL 2

20 HOURS

LEVEL 3

THE CERTIFICATION HAS 3 LEVELS:

Once you have logged your teaching with us, we will add the stars to your profile on the FFF website.

Each FACE member's teaching log runs from 1st April through to 31st March.

At the end of each teaching year there will be due recognition to the FACE network member who has logged the most teaching hours.

Please note that you can only log teaching completed after the 1st April 2020.

FAQS:

- **Do I need to be a FACE to get FACE certification?**

Yes, the FACE certification is part of the FACE network, you need to join the network before logging your teaching hours with us to become a certified member of the network.

- **Is FACE certification for me or my organisation?**

FACE certification is for the individual – it is the individual that is certified not the organisation.

- **How do I record my teaching hours?**

Please submit your hours using our online form [here](#)

- **What happens when I have reached level 3 certification?**

Once you have reached level 3 certification, we still want to hear about your teaching hours for you to maintain your level

WANT TO JOIN?

If you would like to join the network, please fill out the FACE form [here](#) or email us at futurefocusedfinance@nhs.net
